Medical Director

The Western Bay of Plenty Primary Health Organisation is dedicated to the development and delivery of high quality primary health care services that meet the care needs of its enrolled population.

We have a clinical leadership opportunity for a practicing or non-practicing GP to join our executive team in Tauranga as Medical Director (0.4FTE).

Reporting to the CEO you will provide strategic leadership and guidance around developing and implementing systems that support best clinical practice in primary care

The successful appointee will have a strong focus on clinical governance and quality improvement with an overarching goal of improving health outcomes for Maori.

You will have a proven track record in building great relationships and achieving outstanding results in a complex environment.

Western Bay of Plenty PHO is a 50:50 joint venture between Tauranga Moana iwi and general practice providers. We are a not-for-profit organisation supporting the sustainability of general practice in the Bay of Plenty and working alongside iwi, community & allied health providers and hospital services. We manage the health of over 180,000 people enrolled with 30 practices across the Bay of Plenty.
